Sir,

Re payment of allowance to the Veterinary Inspector at Arsikere
for examining the animals to be slaughtered

I have the honor to state that there is a slaughter house in Arsikere Municipality and the services of the local Veterinary Doctor are engaged by the Municipality for examining the animals brought to the slaughter house with a view to give effect to Government Orders prohibiting the slaughtering of sheep and goats of certain categories. Slaughter house bye-laws as sanctioned by Government in their Order No L 5881/M 23-29-92 dated 5-2-1930 are in force in this Municipality and according to rule 8 every animal intended for slaughter is subjected to examination by the Veterinary Doctor. Sheep and goats are said to be slaughtered in the slaughter house. The right of collecting fee in the Municipal slaughter house has been sold in auction for Rs 10/- during the year 1947-48.

The Municipal Council have sanctioned in their resolution dated 24-7-47 the payment of an allowance of 10/- per month to the local Veterinary Inspector for his extra work. I have herein enclosed copy of resolution of the Municipal Council for orders of Government. The President of the Municipality has proposed that the extra cost of Rs 120/- per year involved will be met out by reappropriation of the savings under B Public Safety capturing and deporting monkeys etc. A copy of the slaughter house bye-laws is enclosed. I think, considering the income derived from this source Rs 10/- per month is too much and it may as well be reduced to Rs 5/- per month.

I have the honor to be,
Sir,
Your most obedient servant,

M. B. S. M.
